University Heights Arts Association | (716) 833-6260 | uhartsgroup.com | fineart@uhartsgroup.com

About

UHAA: The University Heights Arts Association, organized in North Buffalo, is a group of artists that serve as a driving creative force and educational resource through the arts to make a positive difference in people's lives.

ARTcovz: ARTcovz is part of the ARTboothz program of the University Heights Arts Association which offers sit-down art projects to passersby at community events. The ARTboothz program served 2,427 people of all ages in 2015 at farmer's markets, festivals, community centers, and special events throughout Western New York.

ARTcovz self-serve art booths allow visitors to select a free art project to produce at home. Each unit consists of a kiosk/dispenser containing pockets, hooks and shelves. It dispenses prepackaged projects, arts, literature, or CD

samplers, and a bin at the bottom of each booth accepts donations. Each mini-art kit contains materials and a set of directions for completing a single project, a link to further UHAA resources including online databases of additional projects and a schedule of upcoming programs.

LOCATIONS: ARTcovz are placed strategically throughout the community to serve those with financial or social constraints, those with disabilities, or wherever access to a free art project might be of benefit. UHAA artists and educators tailor-make appropriate projects for each location.

THREE WAYS TO PARTICIPATE: 1. Sponsor a booth. 2. Host a booth. 3. Donate supplies. *Sponsors may also host a booth.*

SIZE: Dispensers are approximately 13 in. (W) x 13 in. (D) x 55 in. (H). In some instances the exact size will vary to accommodate the space available at a host location.

Sponsorship

YOUR DONATION: Your sponsorship of at least \$150. will purchase materials needed to complete a single ARTcovz dispenser, which will be placed in a public or community space. In some instances, they may also be placed at the sponsor's place of business.

PRESENTATION: Your logo will be affixed in vinyl to the top "shelf" area of the ARTcovz, next to the UHAA logo.

MAPPING: ARTcovz dispensers are numbered and placed on a map acknowledging the sponsor, host location, and demographic it serves.

Additional Information

PR: The University Heights Arts Association will coordinate press releases to local news media regarding the ARTcovz program. We will further acknowledge your commitment through social media and on our website.
